

CHAWLEIGH COMMUNITY MARKET

A monthly community market is held in the Jubilee Hall from 10.00am to 12 noon on the third Saturday of every month.

Stall holders provide a wide variety of local produce, bric a brac, toiletries, craft items, cards, fresh produce, honey, preserves, other hand made items etc.

One of our local organisations takes turns to provide refreshments and these can include tea, coffee, bacon baps, cakes, hot cross buns, teacakes etc. After the kitchen hire charge of £5 all money taken is kept by the organisation for their funds or to distribute to their chosen charity.

Stall holders pay £5 per seller and this money, along with the proceeds from the raffle, goes towards the upkeep of the village hall.

If you have items to sell and would like to enquire about having a table at one or more of the Saturday markets or you would like to use the kitchen to provide refreshments or have any other enquiries please contact janflavin@aol.com.
