King Charles' Day of Community Volunteering

On Monday 8th May the King has requested that communities come together for a day of volunteering for the benefit of the whole community. To this end Chawleigh Parish Council are arranging our 'village clean up' to coincide with this day. This has become an annual event and all members of the parish are encouraged to join in to help spruce up our village and surrounding areas. Tasks can include cleaning of signs, gates, benches and fences, litter picking, weeding etc.

We will meet at the Jubilee Hall at 10.30am.

Please bring any equipment you think you might need. The council can provide litter pickers, gloves and litter bags. After we have earned a rest, Chawleigh Parish Council will provide hot drinks and a light lunch of bacon baps.

Please come and join this great community event.

King Charles III Coronation Weekend

Chawleigh

Friday 5th May to Monday 8th May 2023

Coronation Themed Decorated House and/or Garden
As part of Chawleigh's celebrations we would like as many residents as possible to decorate their homes/gardens.

Find The Kings!

There will be a trail of knitted Kings hidden around the village over the Coronation weekend for the children to find.
